# TRAVELCARE

The new edition of TravelCare is characterised by white packaging, the only hint of colour coming from the hues selected to clearly identify the different items within the range. The new restyling of the line has not forgotten the practicality and simplicity that has always defined the TravelCare collection.

The fully restyled TravelCare range includes bottles with cleansers for body and hair, varying shapes of solid soap and a wall dispenser. As a smaller option, there are also sachets for cosmetics such as hair and body wash, shower gel, conditioning shampoo as well as refreshing wipes in different fragrances. Completing the collection the useful showercap in PE polybag.
